## SKILLS

## EXPERIENCE

- [Lendio](#) 2020  
**SOFTWARE ENGINEER**  
*Online small business loan marketplace.*
  - Build UI components and pages for Lendio website and applications. Manage Wordpress templates and styles for public facing website. Work with UX designers and Marketing team to meet business goals for customer acquisition.
- [Vonazon](#) 2020  
**WEB DEVELOPER**  
*Full service digital sales and marketing agency.*
  - Built websites for clients using the HubSpot CMS. Translated design and styling guidelines from the Graphics Design team to attractive, responsive web pages. Generated custom Bootstrap themes built from the Sass source files using node-sass. Created and updated custom templates and modules in HubSpot using the Hubl templating language and Preact, a performant React alternative.
- [US Wheel Corp.](#) 2017 - 2019  
**SOFTWARE ENGINEER**  
*Steel wheel assembly and tire distribution.*
  - Wrote code to automate business operations such as order entry, invoicing, reporting, and generating work order bill of materials. Helped troubleshoot any IT problems for the office and warehouse.

## EDUCATION

- [Hack Reactor](#) 2020  
**SOFTWARE ENGINEERING IMMERSIVE**  
*An advanced coding bootcamp focused on building autonomous software engineers ready for any job in the tech industry.*
  - Worked on mastering full stack JavaScript and Computer Science fundamentals while exploring new tech using the most refined, up-to-date curriculum. Hosted a front end project on AWS EC2 free tier instances and designed a system to maximize application load. Split the proxy, services, and database to individual EC2 instances and configured a load balancer using NGINX.
- [UCI Division of Continuing Education](#) 2018  
**WEB DEVELOPMENT BOOTCAMP**  
*A web development program that teaches the key skills for full stack development.*
  - Completed complex projects and received hands-on programming training through experiential learning opportunities.
- [Brigham Young University, Utah](#) 2017  
**BACHELOR'S DEGREE - BUSINESS MANAGEMENT**
